

ADOPT A CLASS

This is an **opportunity for churches** to help provide a welcoming, hospitable atmosphere for our LifePath and Pro Dad evening classes.

Provide a meal, pizza, or hearty snacks to our clients. Then hang out with the group to get to know some of our clients better!

Adopting a class will **initiate a natural connection between Choices clients and local churches in the community**. This will facilitate the opportunity to find a potential church home or plug into discipling ministries that you may have.

Glendale: Tuesday or Thursday Evenings
